First car park after Apartments on left hand side

**Cost:** Upon check out of the apartments, reception will validate your parking ticket and provide you with car park vouchers for each night your car is parked in the car park. The rate is \$30 per 24 hour period or \$30 per exit.

Pass outs need to be organized with the Secure Car park only in business hours on level G.

**Hours:** The Car Park is open 24 Hours.

Payment can be made via the large blue pay machine located on Level G. Payment has to be made before you get your car. If there are any problems with the vouchers, please come back to the apartments – PLEASE DO NOT PAY – as refunds cannot be given.
